

26th Annual Thames River Clean Up

Registration & Ballot

Volunteer Registration:

Thank you for volunteering to participate in the “2025 Thames River Clean Up and Adopt a River” initiative. Your continued effort and support have helped to make this a very successful program. Volunteers can start cleaning up a new section of the Thames or join a group already organized in their area. Filling out the registration form below will enable us to:

- ensure you receive gloves and garbage bags
- measure our success in terms of number of volunteers and distance cleaned up
- enter your name in the draw for the canoe

Thames River Clean Up Safety Precautions

Please Remember:

- stay away from the water
- do not attempt to clean up any sections with steep banks
- wear protective clothing (i.e. safety boots, gloves)
- do not cross private property without permission
- do not enter any encampments
- do not attempt to remove heavy or dangerous items (call or text us for help at 519-275-1351)

Please fill in your information below and submit the completed registration form to the community coordinator at your clean up site on the day of the event.
